jakartabytrain.com | Exploring Greater Jakarta by Train

anggara@jakartabytrain.com | +6281290005456

About the Blog

Jakarta is widely known with the horrible traffic jam and by using the Jakarta modest train system, you will be free from traffic jam and it is faster than any other public transportation in Greater Jakarta. Founded in 2 August 2012, jakartabytrain.com consistently providing information on how to travel in Greater Jakarta (locally known as Jabodetabek) with the Jakarta modest train system.

We deliver information in English and/or in Bahasa Indonesia. Our contents are focusing on travel destinations across Greater Jakarta, stories, news, and events.

All travel destinations should be on maximum **30 minutes by walks** from the closest Commuter train stations.

About the Founders

Anggara is the man behind this website. He started this website because of a simple reason, he want visitors have proper information to deal with the Jakarta traffic jam.

Anggara is a self proclaimed passionate blogger and a travel blogger wanna be.

This website is just part of his effort to deliver information about Jakarta modest train system
